

DM-

16 September 1959

DEPUTIES' MEETING

Present: Mr. Dulles, General Cabell, Mr. Bissell, Mr. Amory,
Colonel White, Mr. Kirkpatrick, [REDACTED]

25X1

MR. DULLES:

Noted he had luncheon yesterday with Secretary Dillon and Ambassador Beam during which quite an extensive discussion had been held about RFE and its broadcasts into Poland. The Director said he had dictated quite a long memorandum on this meeting and would furnish a copy to DD/P. The Director also commented that in about a month it was planned to hold another meeting on this subject and at that time [REDACTED] and "other RFE desk heads" would be present in Washington for possible participation in these meetings.

25X1

GENERAL CABELL:

Noted he had received a call from Dr. Cornell, Executive Officer of the National Academy of Sciences, who advised that the grandson of
